Leek Rural District Council

PUBLIC HEALTH COMMITTEE 1962

Chairman:

COUNCILLOR C. R. HEWLETT, J.P.

Vice-Chairman:

COUNCILLOR H. HAMMOND

Members:

Councillor J. T. Barks	Councillor H. Mear
" G. Biddle	" A. Mellor
" F. E. Brocklehurst	" T. Riley
" H. Cotton	" A. M. Robinson
" C. R. Critchlow	" Mrs. M. Robson
" R. G. Grindon (died December 1962)	" G. Shufflebotham
" W. Hancock, C.B.E.	" Mrs. G. Sigley
" H. Harrison	" J. G. Stubbs
" T. Hine	" W. G. S. Stubbs
" S. E. Hulme	" J. Torr
" S. Jackson	" F. Tunnicliffe

PUBLIC HEALTH OFFICERS

Medical Officer of Health:

H. KELSO WATSON, M.B., Ch.B.

Public Health Inspector:

D. K. PEDLEY, M.R.S.H., M.A.P.H.I., Certified Food Inspector

Additional Public Health Inspector:

T. SPENCER, Cert. R.S.I.

OFFICES

PUBLIC HEALTH DEPARTMENT, 18, Stockwell Street, LEAK, Staffs. (Tel.: Leek 1061)

REPORT

GENERAL STATISTICS

Area	72,623	acres
Number of inhabited houses	6,505	
Rateable Value at 31st March, 1962	£142,444	
Net product of 1d. rate for year ended 31/3/62	£571/5/1	
Estimated Population	19,940	
Number of persons per acre270	

INDUSTRIES

The main occupations of the inhabitants are farming and mining, but a substantial number of persons are employed in the City of Stoke-on-Trent, in the silk mills in Leek, and in the quarries on the Derbyshire border.

	Statutory Notices	4
2.	(a) Number of Nuisances Remedied .	13
	(b) Number of defective dwellings rendered fit following service of Statutory and Informal notices	41

WATER SUPPLIES

EASTERN PARISHES WATER SUPPLY

Section "A" Part 1

Eight new connections were made during the year making a total of 195 properties connected as follows:—

		Domestic	Metered Supplies	Farm Troughs (Metered)
ALSTONEFIELD	58*	33	18
ILAM	16	12	8
WETTON	25	17	8
		—	—	—
		99	62	34

(* One stand-tap serves 5 properties)

Section "A" Part 2

This, the major section of the Eastern Parishes Water Scheme which was commenced in June, 1959, was virtually completed at the end of this year. The whole scheme when put into complete operation will serve parts of the parishes of Alstonfield, Butter-ton, Fawfieldhead, Grindon, Hollinselough, Ilam, Longnor, One-cote, Sheen, Warslow and Elkstones and Wetton. The supply is extracted from the River Manifold at Hulme End where it is treated and pumped to the service reservoirs at Grindon, New-town, Sheen and Wetton.

The parishes of Alstonfield and Wetton (which have in the past been supplied in bulk from the South Derbyshire Water Board) and Longnor village (which was originally served by a small village scheme) were linked to the Hulme End system during the summer of this year. The village of Ilam continues for the time being to be supplied with water obtained from the South Derbyshire Water Board.

HORTON, LONGSDON AND RUDYARD WATER SCHEME

Twelve new connections were made during the year making a total of 224 properties connected as follows:

		Domestic	Metered Supplies	Farm Troughs (Metered)
ENDON AND STANLEY	16	4	—
HORTON	108	45	4
LONGSDON	31	12	4
		—	—	—
		155	61	8

An extension of some 300 yards to serve the properties in Reacliffe Road, Rudyard was made available for connections in early January.

RUSHTON WATER SCHEME

The scheme to supply water to the parishes of Heaton and Rushton which was commenced in April 1961 was completed in August and at the end of the year 46 properties were connected as follows:—

		Domestic	Metered Supplies	Farm Troughs (Metered)
HEATON	9	2	—
RUSHTON	19	16	—
		—	—	—
		28	18	—

BOTTOM HOUSE WATER SUPPLY

This scheme to supply the several smallholdings in the Bottom-house area was completed in July, and at the end of the year seven properties were connected.

SAMPLING OF WATER SUPPLIES

Ninety-three samples of water were taken for bacteriological examination and ten for chemical analysis, the results of which are tabulated below:-

Source	Bacteriological Examination			Chemical Analysis		
	No. of Samples Taken	Satis	Un-satis	No. of Samples Taken	Satis	Unsatis
Well	6	4	2	—	—	—
Spring	21	12	9	1	1	—
Borehole	2	2	—	—	—	—
Public Mains	64	55	9*	9	5	4†
Total	93	73	20	10	6	4†

* These were routine samples taken from new lengths of mains not yet in service satisfactory results were obtained following further chlorination and flushing.

† These samples carried iron in excess of 0.3 p.p.m.

DRAINAGE AND SEWERAGE

An extension to the public sewers to serve some 53 properties at Hough Hill, Broad Lane and Hill Top, Brown Edge was commenced in June.

CONVERSION OF PRIVIES TO WATER CLOSETS

The Council makes contributions to property owners desirous of converting their toilets into water closets, the contribution being up to half the cost of the work with a maximum of £20. During the year 6 applications were approved, the Council's total contribution for these being £115.

Further to the above under the Improvement Grant conditions, 36 W.C.s were installed as part of the improvements.

PUBLIC CLEANSING

Refuse and nightsoil is collected from dwellings in every parish of the district by direct labour and tipping is carried out at the various village tips which are levelled and tidied from time to time.

The tip at Stockton Brook is still taking the bulk of the refuse at which 2,700 loads (approximately 18,900 cubic yards) were disposed of in 1962.

During the year 324 visits and inspections in respect of Refuse Collection were made by the Public Health Officers.

FACTORIES ACTS 1937 and 1948

NUMBER OF FACTORIES ON REGISTER:—

Mechanical	18
Non-Mechanical	—

NUMBER OF INSPECTIONS MADE 25

Only two factories are of any size.

A small number of outworkers are employed, chiefly by the Silk Manufacturers in Leek and are concerned with the finishing of wearing apparel.

HOUSING

Action taken under the Housing Acts during the year

Demolition and Closing Orders:

Houses demolished as a result of formal or informal action under the Housing Acts (including hutments at Blackshaw Moor Camp)	67
Parts of Buildings closed	Nil
Closing Orders made under Housing Act, 1957	11

Repairs

Number of unfit or defective houses rendered fit by informal action under the Public Health or Housing Acts	41
Number of houses where defects were remedied after service of formal notices under Public Health Acts:	
(a) by owners	Nil
(b) by local authority	Nil
Number of houses made fit after service of formal notices under the Housing Acts:	
(a) by owners	Nil
(b) by local authority	Nil
Houses reconstructed, enlarged or improved and Demolition Orders revoked under Housing Repairs and Rents Act, 1954	Nil

Unfit houses in temporary use

Houses licensed for temporary occupation under Housing Act, 1957	Nil
---	-----

Purchase of houses by agreement

Houses purchased in Clearance Areas (other than those included in confirmed Clearance Orders or Compulsory Purchase Orders)	Nil
--	-----

New Houses Erected during the Year

(a) By Private Enterprise	78
(b) By Local Authority	26

104

IMPROVEMENT GRANTS

	Discretionary Grants	Standard Grants
Number of Applications received during the year	35	7
Number of Applications in abeyance from previous year	7	1
Number of Improvement Grants made in respect of:—		
(a) Improvements to existing houses	38	7
(b) Conversion of buildings into living accommodation	1	—
Total cost of work involved qualifying for grant	£28,636	—
Total value of Improvement Grants approved	£12,183	£925
Number of Improvement Grant Applications refused or withdrawn	2	—
Number of Applications in abeyance	1	1
Number of Improvement works completed during the year...	26	16

Of the 46 grants approved 41 were in respect of owner occupied property and 5 in respect of tenanted property.

RODENT CONTROL

The Public Sewers and Refuse Tips were treated as necessary and the rat population was kept to a minimum.

The Council's Sewage Works were successfully treated on occasions throughout the year and the infestations kept under control.

The Council's free service for domestic premises was increasingly made use of and in appropriate cases as an economy measure, bait suitable for mice clearance was issued to householders.

PETROLEUM ACTS

Forty-three licences were issued for the bulk storage of 57,150 gallons of Petroleum spirit.

MEAT AND FOOD INSPECTION

Carcases and offal inspected and condemned in whole or in part

	Cattle	Calves	Sheep & Lambs	Pigs	Horses

MEAT AND OFFAL CONDEMNED

Weight of Meat condemned due to:—

(a) Tuberculosis	118 lbs.
(b) Other diseases or conditions	2,894 lbs.

3,012 lbs.

OTHER FOODS CONDEMNED

6lb. 12oz. Corned Beef; 4lb. 6oz. Beans; 42lb. Fish,

FOOD INSPECTION AND SUPERVISION

SLAUGHTERHOUSES

Regulations prescribing the standards of hygiene and prevention of cruelty in slaughter houses became operative in the Council's area in April, and the five slaughterhouses were bought up to the required standard by the execution of additional work and alterations and by the provision of modern fittings and equipment.

FOOD SHOPS AND PREPARING PREMISES

Ninety premises are registered under the Act for the sale of Ice Cream.

FOOD POISONING OUTBREAKS

No cases of food poisoning were notified during the year.

H. KELSO WATSON

Medical Officer of Health.

D. K. PEDLEY

Public Health Inspector
